There is no charge to you for using HigherLegal™ to help you find a great personal injury lawyer. How can we offer you all of our many services for FREE? Simple, HigherLegal™ is paid by the lawyer who takes your case after that lawyer successfully concludes your case. Our fee is never paid by you and is regulated and approved by the State Bar of California. (That's why we are a Certified Lawyer Referral Service).

Here is the official language which explains why this is such a great deal for you. Pursuant to the rules of the State Bar of California, the fees charged to you by your HigherLegal™ Panel Attorney cannot be increased by reason of this agreement. In accordance with the California Rules of Professional Conduct, including Rule 2-200, the parties to this agreement acknowledge full disclosure of the division of fees and costs and that the total fees and costs charged to the Client are not unconscionable as that term is defined in Rule 4-200.

Our goal at HigherLegal™ is to refer you to a truly exceptional personal injury lawyer. That is our specialty. Our Panel Attorneys include the best personal injury lawyers in California. We are confident you will be pleased with our service. If at any time you have any questions about your case, or for any other reason, we encourage you to contact us. We are always here to serve you.

California law requires that clients be advised of any division of fees and obtain their agreement to a division of fees. This Client Contract and Fee Division Agreement ("agreement") provides your consent to a sharing of fees between HigherLegal™ and the Panel Attorney who will be taking your case.

This agreement does not deal with the attorney fees or costs you will be charged by the Panel Attorney who takes your case. You will enter into and sign a separate contract with your Panel Attorney regarding the amount of fees and costs you will be charged by your Panel Attorney.

If at any time you have any complaints about your Panel Attorney, we ask you to immediately **call us at (310) 203-8888**. If your complaints are not resolved, you may also contact the State Bar of California, Office of Legal Services (415) 538-2328. We want to make sure you are fully satisfied with your lawyer, so please call us or email us at any time. (info@HigherLegal.com)

HigherLegal™ is not a law firm and does not provide legal services or legal advice. All legal services will be provided for you by your Panel Attorney.

Your signing of this agreement provides authorization for HigherLegal™ to keep track of the progress of your case and to obtain from your Panel Attorney, in writing, any information about your case including all legal and files, correspondence, accounting records, cost reports, settlement agreements, bank records, settlement documents, computer data, financial data and/or other parts of your files, as may be requested by HigherLegal™. This will help us keep track of your case, its progress, and its financial status so we can be here to answer your questions and make sure your attorney keeps your case a high priority.

This agreement also grants permission for HigherLegal™ and/or its representatives to communicate with you on all matters, at any time, and to use information about your case for promotional or other purposes. Once we help you select an outstanding personal injury lawyer, we want to stay in touch with you, and your Panel Attorney, so we can be here to help you throughout the litigation process. It is our hope to continue to communicate with you both during and after your case. We are always here to answer your questions. Our goal is to provide you with the very best customer service.
